LOCATIONS AND DIRECTIONS

Sacred Heart Catholic Church in Thayer, Saturday. Enter Thayer on highway 63 if coming from West Plains and

turn right at the second stop light. You'll see Casey's and Dairy Queen on your right. This is West 142. Continue driving west past the old motel and the Methodist Church. When you see the signs directing you to Thayer Airport turn left and follow them. Turn right when you see the sign for Sacred Heart Catholic Church.

Next Step 7th Day Adventist Church is on north Highway 63 across the street from Richards School. It has a very large sign and will have a banner at the driveway. There is an old racetrack on the church property many remember from the sustainable living festival they host.

Our thanks to both Next Step and Sacred Heart for allowing us to use their facilities.
